

After School Club: Maths

Suitable for P6/P7/S1 pupils

Give your pupils an opportunity to see another side of mathematics.

Let's make mathematics come alive.

Working in collaboration, pupils play with simple geometric shapes and create amazing models.

4 X 1 hour sessions

- 1 Build a Sierpinski Pyramid
- 2 Create a Soccerball
- 3 Make a Fraction Quilt
- 4 Folding Triangles into 3D models

Max class 30 pupils

Cost £120 per session total £480
