Give your students a wild experience

Bring your class to an **RSPB** nature reserve for a **half** or **whole day** to get an **active outdoor learning experience** in a **natural setting**.

Experience the natural world

Enjoy affordable curriculum-based sessions with our highly qualified staff. They'll engage and inspire your students.

Join us at Minsmere, the heart of Suffolk's wild coast, for primary & secondary sessions. Get stuck in to pond dipping, minibeast hunting, bird watching & more or carry out fieldwork investigations in our awe inspiring habitats.

"Superb visit, very informative. Amazing staff and volunteers. An amazing educational visit."

Silverdale St Johns Primary, who recently visited one of our **Schools on Reserves sites.**

Purpose built education facilities and LOTC Quality Badged programmes delivered by our dedicated Learning Team ensure that your school trip to Minsmere is guaranteed to be an inspirational learning experience for all your students.
