#### Day Itinerary

##### *Meet & Greet*

Time: 10:00 - 10:15 / 13:30 – 13:45 #

Duration: 15min

##### **Description:**

A STAR Centre welcome, a quick introduction into why you're here and what you will have accomplished by the end of the session.

##### *Survival on the Moon challenge*

Time: 10:15 - 10:45 / 13:45 – 14:15 #

Duration: 30min

##### **Description:**

You have crashed while on a mission to the moon! You have to continue the perilous journey on foot, but what are you taking with you? How does working as a team improve the chance for mission success?

##### *Break*

Time: 10:45 - 11:00 / 14:15 – 14:30 #

Duration: 15min

##### **Description:**

Enjoy some refreshments before heading into our primary scenario.

##### *Disaster on Moonbase Alpha*

Time: 11:00 - 13:00 / 14:30 – 16:30 # \*\*

Duration: 2hr

##### **Description:**

The STAR Centre primary mission scenario. There has been a disaster at Moonbase Alpha and we need you to find out what has happened, solve any problems you might encounter and return home safely! To do this you will split up into 3 distinct teams, learn your roles and solve problems that will need every team's specialisation to complete.

##### *Wrap up and Review*

Time: 13:00 - 13:05 / 16:30 – 16:35 #

Duration: 5min

##### **Description:**

Reflect on how the scenario changed your perspective of effective teamwork. A time for feedback from STAR Centre staff and company managers.

**NOTE: The STAR Centre is prepared to make tweaks to the itinerary/scenarios upon request.**
