

Gather together the responses to the **questionnaire** that your group has collected.

Cut out the fourteen **Q & As** and place them in the appropriate box.

Choose one of the Q & As that interests you.

Decide how to analyse the data.

Complete the analysis.

Find a suitable way to represent the data.

Repeat for some other **Q&As**.

working with chemicals

**1** How often do you use the following products?

	Never	Once a week or less	More than once a week
Foundation	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
